MEMORANDUM FOR: Comptroller, DPD-DD/P

25X1A

ATTENTION :

[REDACTED]

SUBJECT :

Propriety of Payment of Full Per Diem in
Connection with Certain Rental Charges

25X1A

With reference to your verbal inquiry on the subject, it is noted that [REDACTED] the billating officer of the facility concerned, who is a representative of the host government, has stated that the charges were for room rental and not services. The supporting voucher (000356), dated 29 November 1958, entitled Payment of Rental Charges, is signed by an authorized certifying officer, and is accompanied by what apparently is a bill in the language of the host country, the translation of which indicates that the charge is for quarters. In view of the foregoing documentation, it is our view that your station finance officer correctly paid the full per diem to the individuals involved.
